BHS students redesign a community

Thanksgiving just passed and Christmas is on the horizon as it seems appropriate to reflect on the year that has flown by and recognize what we can be thankful for.

And at the top of my list is things to be thankful for is our school spirit.

Recently our football team played in the state final. Even though we did not take the title, the players and the fans both experienced their own special moments. So regardless of the final score, every one walked away with a win.

And school spirit extends beyond the athletic field. Extra-curricular events is critical to keeping our students engaged. Your attendance at athletic games and concerts, evident by the large crowds that showed up to support our school and the community.

The stands were packed with people decked out in our cheerleaders, school band, peers, parents, staff, and community.

For the 2014-15 and 2015-16 academic years, the Brunswick Area Student Aid Fund (BASAF) endowment, awards such as the Bill Dodge Scholarship (for students pursuing all types of post-secondary education), BHS Interact Club (Club for students to join those already engaged to continue to maximize their volunteer efforts), and recently raised $3,400 for Mid Coast Hunger, which provides service for the following organizations: food pantries, local soup kitchens, shelter, and we support community organizations.

BASAF annually awards scholarships (based on financial need) to qualifying students pursuing all types of post-secondary education. For more information about BASAF, go to our website at www.brunswick.k12.me.us. Please visit www.brunswick.k12.me.us/bhs to stay up-to-date on school news and upcoming events.
