BRUNSWICK HIGH SCHOOL- APPLICATION FOR EARLY DISMISSAL

To The Parent or Guardian:

Brunswick High School has adopted a procedure which allows for seniors to be dismissed from school provided the following conditions are met:

1. The student must have no scheduled classes during the last block of the day.
2. The student must be scheduled for 6 classes and carrying course grades of 80 or above.
3. Seniors must have completed at least 10 hours of community service.

This procedure was developed with the recognition that many young people have opportunities for employment or family commitment. It also is meant to provide a small form of incentive or special consideration for being an upperclass student. It clearly is a privilege. There are no guarantees that students will be afforded early dismissal opportunities. Students participating in this program must be in good standing toward graduation and community service requirements and are encouraged to continue with satisfactory performance throughout the year. If, for some reason, a student’s performance, attendance or behavior comes into question, early dismissal and/or parking privileges may be discontinued.
