Message from the Principal

Brunswick High School is a small comprehensive school. We offer a wide variety of academic and elective courses. Our faculty is constantly revisiting our curriculum to provide students with the best college preparatory education possible.

Beyond academics, BHS strives to offer students co- and extra-curricular activities to explore their interests, gain leadership experience, and learn from and with their peers. We have excellent athletic teams, a highly successful performing and visual arts program, and numerous clubs. These activities and experiences are made possible for our students through the efforts of internal and external members of the BHS family.

Through all these efforts, Brunswick High School fulfills our mission and vision statement to provide BHS students with a world class education. Please spend some time to review this month’s newsletter and discover more about our comprehensive school. I look forward to our paths crossing during the school year.

Sincerely,

Troy P. Henninger

Mountain Films @BHS

Thursday, Oct 4. Mountain Films will be the center of two public events at Frontier at 3pm and 7pm. As a part of their tour, Mountain Film reaches out to a local school. Frontier was generous enough to reach out to BHS to help arrange a private screening for students during the school day. A trained coordinator from Telluride, CO will help present the short inspiring films. This is a part of a national tour. Since 1979, Mountain Film uses the power of film, art and ideas to inspire audiences to create a better world. Visit www.mountainfilm.org and be sure to visit Frontier and see the films!

Teaching the Genome Generation (TtGG)

This summer, science teachers Stephanie Dumont and Pamela King attended a week-long professional development workshop run by the Jackson Laboratory. The workshop was held at Bowdoin College. The workshop is designed to help teachers incorporate genomic education into their classes by using laboratory methods to isolate and detect DNA, utilizing bioinformatics tools, and exploring the bioethics of genetics research.

Ms. Dumont has been involved with the program for four years and was in the first group of teachers in the nation to implement the program in her classes at BHS. Last year, Ms. Dumont, was awarded grant money from the BCEF to purchase equipment that will help Brunswick HS to continue bringing this curriculum to Biology classes. Students exposed to this program will hopefully enhance their understanding of genomics content and personalized medicine.

Competition Piece—Everyone Won!

In an effort to raise money to support the BHS Players’ performance at the August 2019 Fringe Festival in Edinburgh, Scotland, seventeen brave BHS teachers took on the roles of three different groups of students preparing to enter their school’s one-act play competition. The Metalheads featured, among others, Ms. Russell, Mrs. Dumont, and Ms. Francis-Taylor as the black leather-clad rockers. The Artsy group featured, among others, Mrs. Smith as Laura the Valley Girl cheerleader, Mrs. Albert as Callie the Diva, Mr. Roma as Graham the stud, and Mr. Porter as Elliot the nerd. The Preppie group featured Mr. Ring, in drag, as the uptight Miss Hochensmoss, and Mr. McCullough and Ms. Campbell as the very reluctant kissing couple of their one act play.

Thank You Faculty and Staff for an amazing performance in Competition Piece!

STUDENT ACTIVITIES

The BHS math team is off and running with over 20 new or returning mathletes. We always welcome more! Practices are Mondays or Tuesdays for anyone, and Wednesday for the novice team. Our first meet is October 3rd at Mt. Ararat and our home meet is November 7th.

The Life Skills class took a field trip to the Cumberland Fair for Maine Agriculture Day. We toured the exhibition hall and took a turn churning butter, writing with quill pens, and checking on our submissions. The class made blueberry muffins, apple muffins, pumpkin cookies, sugar cookies, and biscuits. All submissions won ribbons!

We were able to talk to farmers and young people that were part of the 4H club. The students learned about dairy farms and milking goats. It was a great day.
STUDENT ACTIVITIES

On September 4th, the incoming 9th grade students learned about their schedules, met their teachers, toured the building and participated in low to the ground group building activities led by Wingspeed Adventures. Their school programs promote self-discovery and are designed to help students, faculty, and school staff learn how to solve problems, achieve goals, enhance communication, build community, and develop trusting relationships in an enjoyable and safe environment—and have fun in the process. There were also over 40 upperclassmen that helped mentor and guide the day.

Welcome to BHS Class of 2022!

FROM THE COUNSELING OFFICE

PSAT’s to be given to all 11th grade students on Wednesday, October 10th

We are pleased to announce that in partnership with The College Board, the PSAT’s (Preliminary Scholastic Aptitude Test) will be administered to all 11th grade students at Brunswick High School on Wednesday October 10, 2018 during school hours. Students do Not need to register for the PSAT, and funding has been arranged for students so the test will be available at no charge.

Every student who takes the PSAT will also receive a report called Score Report Plus, which will include not only scores and itemized feedback on test questions, but also an Improve Your Skills section. For each section of the test — reading, writing & language and math — students will receive personalized feedback based on their performance on the PSAT as well as suggestions for improvement.

In addition to acting as an SAT warm-up, the PSAT is also often referred to as the PSAT/NMSQT or National Merit Scholarship Qualifying test, because students who score exceptionally well on the assessment when they take it in the 11th grade may qualify for one of the prestigious National Merit Scholarships.

***** It is important to note that the PSAT is also excellent practice for 11th grade students for other placement tests that they are likely to take in the future including the SAT, ACT, and Accuplacer (often used by community colleges and trade schools as well as some state universities) as well as the ASVAB (the Armed Services assessment).

On October 10th classes for 9th, 10th and 12th grade students will continue as usual.

***** Please note that while funding is not available for 10th grade students to take the PSAT, we will order extra PSAT’s for any 10th grade student who wishes to participate with the 11th graders on October 10th. The cost is $16 and the order must be placed by the Counseling Office no later than September 14th. Please contact Mrs. Moore in the Counseling Office if interested. Do not register 10th grade students individually.

In this age of clicks, tweets, and likes, it can be hard to get kids excited about writing. Brunswick High English teachers Amy Russell and Samantha Francis-Taylor came up with the idea of trying to establish an annual event where students can meet professional writers and connect to the world of ideas. Pulitzer Prize finalist and New York Times Best-selling author Nicholas Carr agreed to be their first speaker in October! Wild Oats Café, Bakery, and Deli stepped up to be their lead sponsor.

Thank you Wild Oats and thanks to everyone who helped Amy and Sammie meet their goal!

MUSIC DEPARTMENT NEWS

The Music Program will be hosting our first ever fundraiser at CHIPOTLE on Saturday October 27th at the Chipotle by the Maine Mall. This event will run from 5 – 9 p.m. All we have to do is show up with a flyer and eat. That’s it. Some caveats:

1. Internet/ phone orders do not count
2. We cannot distribute flyers at Chipotle
3. You CAN use a digital copy of the flyer
4. PLEASE spread the word.

Thanks to two of our students, the band program is going to be using a new app in lieu of “Remind” this year. It is called “Band”. It is essentially the same service, HOWEVER, it has several features not found on remind including an embedded calendar (where we will be placing the current music department events). Please sign up here: https://band.us/n/a9a9Y1mel411T

Thank you so much for all you do to support the BHS Music program. We look forward to seeing you at one of our many upcoming events! For the latest updates, please see the BHS Website at www.brunswick.k12.me.us/music

Sincerely,

Mike and Ashley

SOCIAL STUDIES DEPARTMENT NEWS

On June 6, 1944 more than 160,000 American, Canadian, British, and French soldiers landed along 50 miles of heavily-fortified beaches along the coast of Normandy in northern France. It was the most ambitious amphibious invasion up to that point in history. It was signal the beginning of the military campaign that would end the Nazi regime and liberate western Europe from tyranny.

On June 6, 2019 a dozen members of the Brunswick High School community will be walking on those same beaches and exploring what are now historic sites such as the Utah Beach Museum, the American Cemetery and Pointe de Hoc. D-Day 75 will be a once-in-a-lifetime opportunity for students to stand on this historic soil shoulder-to-shoulder with members of the Greatest Generation who survived that day as well as to pay their respects to those who made the ultimate sacrifice for their country and freedom.

Although being an active participant in the D-Day 75 commemorations is the starting point of our World War Two themed trip, there is more. After Normandy students will continue on to Paris where they will experience special World War Two themed activities as well as many cultural and historic sites such as the Louvre Museum, the Basilique du Sacre-Coeur, the Arc de Triomphe and the Eiffel Tower. Our tour of Paris will end with a cruise along the Seine.

The group will then travel by train to Amsterdam and continue their study of World War Two in western Europe. Highlights of our time in Amsterdam will include visits to the Jewish Historical Museum and Dutch Resistance Museum. Everyone knows that Amsterdam is famous for Rembrandt, but fewer know that it is also known for its chocolate and no visit to this city would be complete without a stop at Pompadour Chocolaterie and Tearoom.

Anyone interested in more information about the D-Day 75 trip to Normandy, Paris and Amsterdam should contact Mr. Flanagan (Room 211) at the High School. The group will also be doing some fundraising to help offset the expenses the students will incur and anyone interested in helping to defray the cost of the trip is welcome to contact Mr. Flanagan as well.

Ararat will wear white with Kelly green, to represent Gallbladder/Bile duct cancer (#MarcyStrong) and the goalies orange will represent childhood leukemia (#AdamStrong.)

Community Service Message

"Never doubt that a small group of thoughtful committed citizens can change the world; indeed, it's the only thing that ever has." Margaret Mead

Each student enrolled at BHS must meet a 30-hour community service requirement in order to graduate (policy). A website has been created for students to discover community service opportunities that exist in our area. The real emphasis of our record keeping is to track and enforce the 30-hour graduation requirement among all students. We try our best to manage and track hours beyond the required thirty, but it is the student's responsibility to keep their own portfolio of service activity. Students should make copies of their hours and keep their own portfolio while submitting originals to the main office at Brunswick High.

Student Responsibility

It is the student’s responsibility to fill the community service form out correctly and timely. Community service documentation is not the community partner’s responsibility. Community service documentation is not Brunswick High School’s responsibility. Students should not assume that their community partner has filled out the form and sent it to BHS.

Inaccuracies

Any inaccuracies on report card postings are to be reported immediately to Mr. Wilson. In rare instances, community service hour totals posted on report cards may change as a result of discovering mistakes.

Posting Hours

Community service hour are updated eight times a school year, at progress report time and at the end of each quarter. The BHS Guidance Office updates transcripts at the end of each semester so be sure to get your summer and fall hours in early. Any student wishing to have his or her community service record articulated on school letterhead may request this from Mr. Wilson.
