

News from the BHS Library!

Students trying to find books in their favorite genres can now look for new classification spine labels in popular genres on fiction books in the BHS Library! Five genres of books are now being identified with colorful spine labels (shown below). Mrs. Kirkpatrick has been busy identifying and labeling fiction books with the new spine labels. Stop by the Library and easily browse the shelves for a Dystopian, Science Fiction, Romance, Fantasy or Horror novel!~Mrs. Jerome
