

BRUNSWICK JUNIOR HIGH SCHOOL
BUS TRANSPORTATION AGREEMENT

In compliance with the rules and regulations, as established by the State of Maine and the Brunswick School Department concerning bus transportation and safety, the following guidelines have been established and will be in effect for the Brunswick Junior High Athletic programs.

- A. Only team members, managers and coaches may ride on the team bus.
- B. All athletes are required to travel to and from away contests with the team. After the contest, an athlete may only be released to his or her parent/guardian upon direct communication with the head coach and signature on the release form. No exceptions to this procedure.
- C. When riding on a team bus, team members and managers must remain seated and the noise level must be kept at an appropriate level for the safety and well-being of all. Aisles must remain clear. Feet, equipment, etc. must remain out of the aisle for safety reasons.
- D. Proper behavior on the bus is expected at all times. This includes no inappropriate language, no obscene or inappropriate gestures or actions, no throwing objects in or out of the bus, and no head/hands outside of the bus windows.
- E. No cleats or spikes may be worn on the bus.
- F. No trash or food may be left on the bus.
- G. Coaches need to be seated on the bus in a position to monitor the team members and managers.

We, the undersigned, have read these rules and agree to adhere to them. My son/daughter and I have discussed these rules and regulations. My privileges as an athletic participant and my privilege to ride the sports bus may be lost if I violate the above rules and regulations.
