

Summer READING

This year BJHS is setting a SUMMER READING goal of **1000 books!** To celebrate this reading goal, we are offering **POPCORN TICKETS** to any incoming 6th, 7th or 8th grade student who reads *at least* 2 books this summer! Students simply need to fill out the form below and have a parent or guardian sign to confirm the books have been read this summer. During the first week of school, Language Arts teachers will collect your forms. Extra forms will be available on the BJH school website. In September, students will have the opportunity to redeem their **POPCORN TICKET** for a healthy snack during HUSKY TIME! We encourage students to consider reading any book that matches interests with an appropriate reading level. The Curtis Memorial Library, with its summer reading program, is a terrific resource. Follow along with an audio book in another great option! *Happy Reading!*
