Skill Sheet –**Keynote as Art**

Skill Description: Use Keynote like you never have before! Explore the artistic possibilities of this program and create a work of art using the shape and color options. Your keynote presentations will never look bland again!

Materials needed: Laptop

Directions: Create a work of art on a single keynote slide. Repeat shapes by copying and pasting them into a pattern. Layer multiple shapes on top of each other for more complexity.

Share your slide with Ms. Bucknam via AirDrop, or ask her to look at your work on your laptop.
