

The Jordan Acres Holiday Craft Fair – now called the...

“ Brunswick Elementary School Holiday Craft Fair”

...invites you to participate on November 12th

The Jordan Acres School Holiday Craft Fair has been a wonderful community tradition – and one we hope you will support us this fall as a vendor at our November 12th, 2011 event.

As you may know, Jordan Acres Elementary School is closed for the current academic year while the Brunswick School Department undergoes some changes. All the elementary school children (grades K-5) are divided between Coffin School and the new Harriet Beecher Stowe school. The craft fair will take place at the Harriet Beecher Stowe School – it is a beautiful space, and one we think will draw a large crowd. However, we ask for patience as we learn to make the best use of our wonderful new building!

The proceeds are to be shared between the parent groups from the two schools. As always, the funds raised will be used to support a wide range of academic and community-building goals, such as educational field trips and enrichment programs.

We have enclosed our application. If you have any further questions, please call Dawn Grimes at 751-2552 or email dawngrimes4@aol.com. We have confirmed a number of last year's vendors, and are happy to open up the application process to new vendors. Applications will be reviewed and responded to on a first come, first served, basis. Our deadline is Friday, October 14th. Please complete the enclosed application and return to:
