

Google Classroom Setup

Section #1

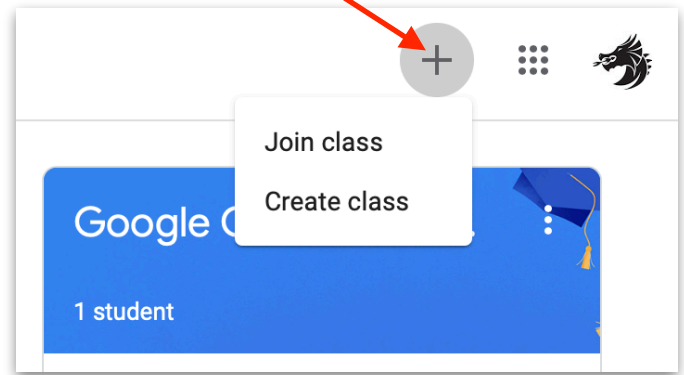

Creating a New Google Classroom

1-1. To Create a New Classroom:

Click the 9 tiles to open drop down.

1-2. Click the Plus Sign **+**, to Create or Join a

1-3. Type a Title:

Each Classroom must have a title, the other lines are optional. You may want to create a class for each of your classes.

The class will take a few moments to be created by Google, once you click create.

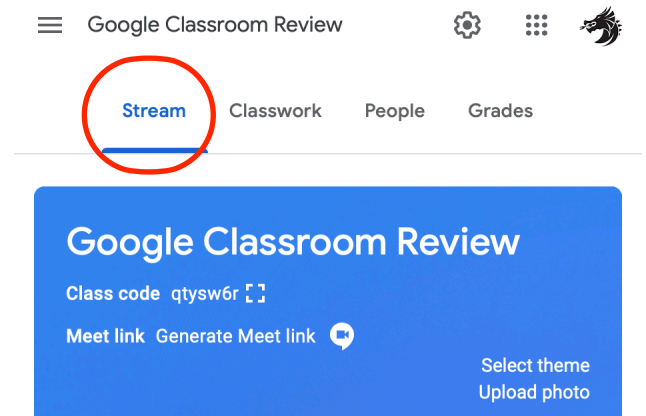

1-4. The Stream:

Once you create a Google Classroom, it will open to the Classroom Stream.

You can post announcements to your class on the class stream.

Announcements are posts with no assignments. You can use them to give notices or reminders to your students. Announcements appear in chronological order. If you want, you can move an older post to the top.

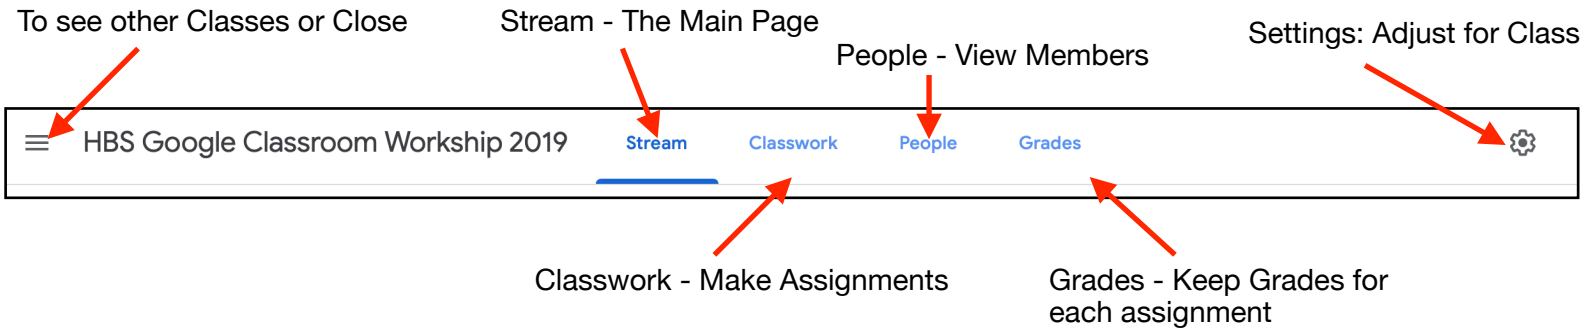

You can draft and schedule announcements and control who comments or replies to posts. If a student turns on notifications, they'll get an email when you post an announcement.

Section #2

Main Tool Bar & Adjusting Settings for Google Classroom

2-1. View of the Main Tool Bar Selections

2-2. Under Classroom **Settings** there are 3 areas: **Class Details**, **General**, **Grading** Click the "**Cog Icon**" to open settings.

2-3. The **Class Details** include the Title of the class, Description, Section, Room and Subject. These may be edited at anytime. Click "**Save**" if changes are made.

Save

A screenshot of the "Class Details" form. The title "Class Details" is circled in red. The form contains five input fields: "Class name (required)" with the text "Google Classroom Workshop -1", "Class description", "Section", "Room", and "Subject".

2-4. The **General** area has several settings.

- **Class Code:** This is the code for joining the class. Click the dropdown arrow to Display, Copy, Reset or Disable.
- **Stream:** By default “Students can post and comment.” Teachers should consider changing this setting to “Only Teachers can post or comment. Teachers may post a Google Document for students to share individual and group comments.
- **Classwork on the Stream:** This refers to the Stream Tab or the front page of Google Classroom. There are 3 options:
 - **Show Attachments and Details** - shows list of all posts, materials and assignments on the Stream. Also displays attachments.
 - **Show condensed notifications**
 - **Hide Notifications**
- **Show deleted items**
- **Guardian summaries:** [Click for complete summaries information!](#)
- **Meet:** Click, “**Generate Meet link**”, students will see a Google Meet Icon
The Icon will appear under the **Classwork** tab, for the students and teachers

Teachers may reset the link, this will generate a new link, or turn off the feature by moving the slider to the left, which will remove the Meet Icon from the students Stream.

2-5. Grading: Teachers may give grades to work turned in by students. The Google Classroom Grading option is not recommended as a replacement for PowerTeacher Pro. Grades entered into Classroom will need to be manually entered into PowerSchool.

The screenshot shows the 'Grading' settings panel in Google Classroom. The word 'Grading' is at the top, circled in red. Below it is the 'Grade calculation' section, which includes 'Overall grade calculation' (with a 'Learn more' link) and a dropdown menu currently set to 'No overall grade'. There is also a toggle switch for 'Show overall grade to students' which is currently turned off. At the bottom is the 'Grade categories' section with an 'Add grade category' link.

Section #3 The Stream

The screenshot shows the 'Stream' page of a Google Classroom named 'Google Classroom Review'. The 'Stream' tab is selected and circled in red. The page header includes a menu icon, the class name, and icons for settings, a grid, and a profile picture. Below the header are tabs for 'Stream', 'Classwork', 'People', and 'Grades'. The main content area has a blue header with the class name, class code 'qtysw6r', and a 'Meet link' button. To the right of the header are options to 'Select theme' and 'Upload photo'. At the bottom, there is an 'Upcoming' section showing 'Due tomorrow' and a 'Share something with your class...' prompt with a profile picture icon and a refresh icon.

3-1 The Stream:

Once you create a Google Classroom, it will open to the Classroom Stream.

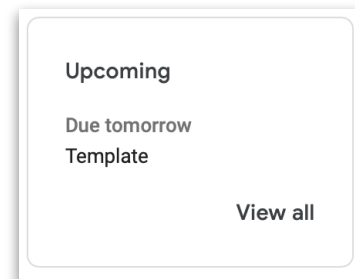

You can post announcements to your class on the class stream. In Settings the teacher may set the Stream to have Teacher only comments and posts, Students also comment and post or Students only able to comment to teachers posts. Refer to Section 2-4.

3-2. Share Something with your class... You may posts messages to your class. You can use posts to give notices or reminders to your students. Posts appear in chronological order. If you want, you can move an older post to the top.

You can draft and schedule announcements and control who comments or replies to posts. If a student turns on notifications, they will receive an email when a post has been made. Documents, images, web-links may be added to your posts.

3-3. Assignments may appear in the Stream. It is recommended to not rely on the Stream to display assignments. All Assignments will be organized and accessed through the **Classwork** tab. Refer to Section 2-4.

3-4. Upcoming: This area will display upcoming Due Dates to students. Due Dates need to be entered while making an assignment for dates to appear.

3-5 Class Code: The Class code appears on the stream image. By clicking the square to the right of the code, a larger window will appear with the code.

3-6 Meet Link: A link for Google Meet will appear if the meeting code has been generated in Settings. See Section 2-4.

3-7 Class Theme: The Theme may be changed by selecting a new theme or by uploading a photo.

Section #4

Classwork - Creating Topics

Classwork

Grades

4-1 Create: By click **Create** a Classroom teacher may create assignments, quizzes, questions, add materials, reuse posts and make topics.

A syllabus, classroom rules, topic related reading may also be created in this area.

4-2. Topics: Topics are used to organize assignments into modules or units. Teachers and Students see Topics while in the **Classwork** view.

4-3. Below is an example of what students see when they click on the Classwork Tab.

Naming Convention for Assignments

Each assignment needs to be attached to a Topic

A naming convention for assignments will be used under the Topic title. Assignments will look like:

Unit 1

01 Video & Questions

02 Reading

03 Essay

 Add

 Create

 Add

 Create

Add & Create:

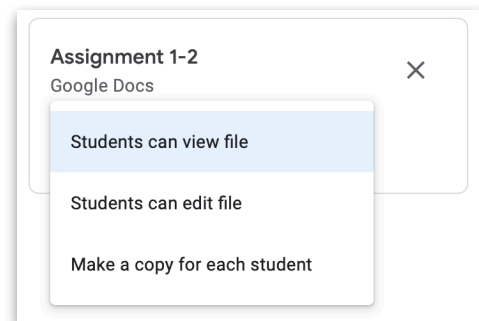

You may add material to the assignment from google drive or upload from other source.

You may also Create a new Doc, Slide or other.

A dropdown menu with a blue header containing a plus icon and the word "Create". Below the header are five options, each with a colored icon and text: "Docs" (blue document icon), "Slides" (yellow presentation icon), "Sheets" (green spreadsheet icon), "Drawings" (red drawing icon), and "Forms" (purple form icon).

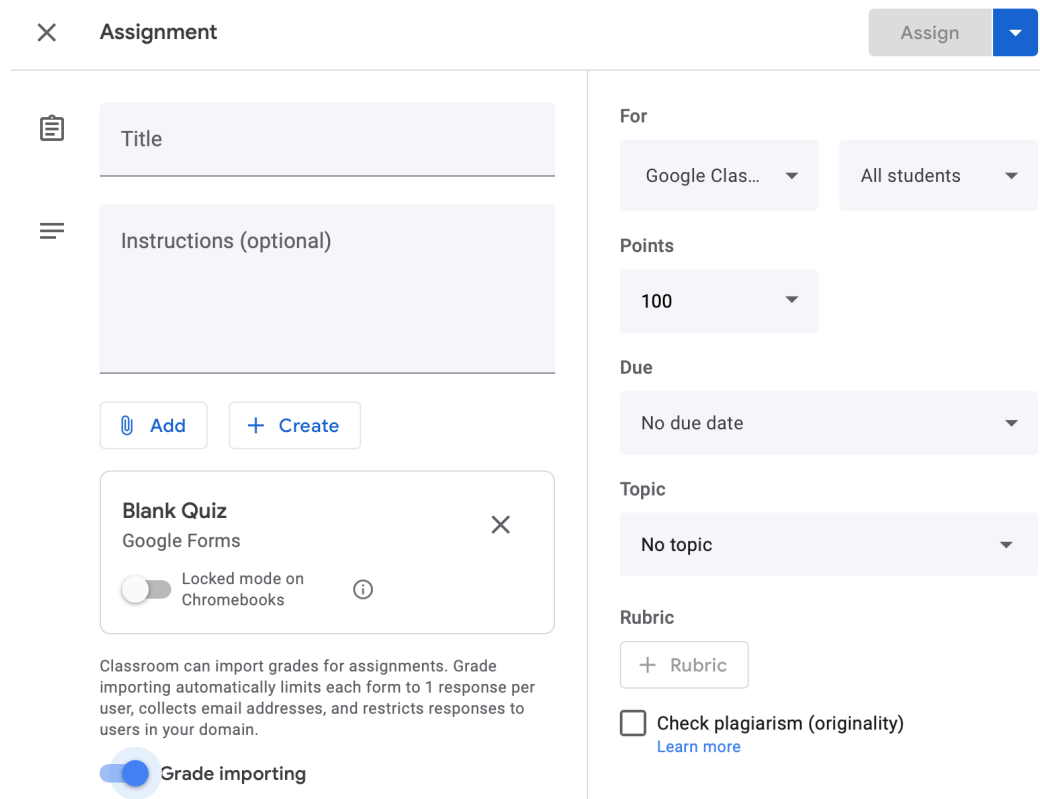

When a Doc is created, it may be set for "Students can view file," "Students can edit file," or "Make a copy for each students"

A modal window titled "Assignment 1-2" with a close button (X) in the top right. Below the title is "Google Docs". A dropdown menu is open, showing three options: "Students can view file" (highlighted in blue), "Students can edit file", and "Make a copy for each student".

5-3. Quiz Assignment:

Once fields are filled in, as with a regular assignment, click on Blank Quiz

A form for creating an assignment. At the top left is a close button (X) and the word "Assignment". At the top right is an "Assign" button with a dropdown arrow. The form is divided into two main sections. The left section has a "Title" field with a clipboard icon, an "Instructions (optional)" field with a list icon, and "Add" and "Create" buttons. Below these is a "Blank Quiz" section with a close button (X), "Google Forms" text, a "Locked mode on Chromebooks" toggle switch, and an information icon (i). Below this is a paragraph of text about grade importing and a "Grade importing" toggle switch. The right section has "For" fields for "Google Clas..." and "All students", a "Points" field set to "100", a "Due" field set to "No due date", a "Topic" field set to "No topic", a "Rubric" field with a "+ Rubric" button, and a "Check plagiarism (originality)" checkbox with a "Learn more" link.

A Google Form, Blank Quiz Template will open. Questions with correct answer may be entered, a quiz which will be graded once students Submit their quiz.

The screenshot shows the 'Blank Quiz' template in Google Forms. At the top, there's a header with 'Blank Quiz' and icons for settings, navigation, and a user profile. Below the header, there are tabs for 'Questions' and 'Responses', with 'Questions' being the active tab. The main area is titled 'Blank Quiz' with a subtitle 'Form description'. Below this, there's a question editor. The question is titled 'Untitled Question' and is set to 'Multiple choice' format. There are two options: 'Option 1' and 'Add option or add "Other"'. At the bottom of the question editor, there's a checkbox for 'Answer key' (which is checked) and a note '(0 points)'. To the right of the checkbox are icons for copying, deleting, and a 'Required' toggle switch. At the very bottom, there's a toolbar with icons for adding new questions, copying, deleting, and other editing functions.

5-4. Question

Ask the class a question.
The question may be in Short Answer or Multiple Choice answer format.

The screenshot shows the 'Question' dialog box in Google Classroom. It has a close button (X) in the top left and an 'Ask' button in the top right. The main area is divided into two sections. The left section has a question input field labeled 'Question' and a dropdown menu for selecting the question type. The dropdown menu is open, showing 'Short answer' and 'Multiple choice' options. The right section contains settings for the question: 'For' (Google Classroom, All students), 'Points' (100), and 'Due' (no date selected).

5-5. Material

Add a Syllabus
Add documents, images, links, etc.

The screenshot shows the 'Material' dialog box in Google Classroom. It has a close button (X) in the top left and a 'Post' button in the top right. The main area is divided into two sections. The left section has a title input field labeled 'Title' and a description input field labeled 'Description (optional)'. Below these fields are two buttons: 'Add' (with a file icon) and 'Create' (with a plus icon). The right section contains settings for the material: 'For' (Google Classroom, All students), 'Topic' (No topic), and a 'Post' button.

5-6. Reuse Post

Use a Post from another Classroom,
or from Archived Classrooms

The screenshot shows a button labeled 'Reuse post' with a circular arrow icon to its left.

Section #6
