

## iPads for grades 3-12

You are getting an iPad with a stand to use as a camera device to help you record, and present using Google Meet, Classroom, Drive, Slides, and Jamboard etc.

At the current time, the iPads are **not** set up with Apple ID's and you will not be able to install or add Apps. As we are in a pilot phase, remember that the iPad can be wiped out at any time.

If you need additional training on using the iPad for presentations, and recording of lessons, please reach out to your building Technology Integrator or put in a tech support request ticket by emailing [techsupport@brunswicksd.org](mailto:techsupport@brunswicksd.org).

For more information, go to:

Google Drive > Shared Drives > BSD Resources > Instructional Resources > App Instructions & Videos
