

Siblings -- Vellella

Let me tell you 'bout my brother
he's the best at sports
Football, basketball and baseball
He's the best at building forts
Can't you hear the family laughing
He tells jokes all day
Can't you see him doing backflips
I hope he lands okay!

Brother won't you bounce, brother won't you bounce
Brother won't you bounce like a big beach ball
Brother won't you bounce, brother won't you bounce
Brother won't you bounce like a ball

Brother's in the kitchen with mommy
Brother's in the kitchen I know
Brother's in the kitchen with mommy
Eating on a big taco and saying

(mmm, mmm, nom nom nom)

Let me tell you 'bout my sister
she's the best at dance
parachuting and gymnastics
and if you get a chance
you should hear my sister singing
she's got a voice so sweet
can't you hear my sister rapping
with her killer beats

Sister won't you sing, sister won't you sing
Sister won't you sing your song for me
Sister won't you sing, sister won't you sing
Sister won't you sing for me

Sister's in the kitchen with Daddy
Sister's in the kitchen I know
Sister's in the kitchen with Daddy
Eating up a marshmallow and saying

(mmm, mmm, nom nom nom)
