

*“Chores” sung to the tune of “Home on the Range”*

*by Mrs. Copp’s Class 2017*

*Oh give me a job*

*Feed the cat, wash the dog*

*Just you watch, Mom I’ll make you so  
proud*

*I can help, it’s so fun*

*In a flash, I’ll be done*

*Pretty soon, I’ll be shouting out loud*

*Chores, give me some chores*

*Then please take me out to the store*

*‘Cuz I want a new bike and I think I  
just might*

*Have enough with a teeny bit more*

*In the summer I mow*

*I can weed a whole row*

*In the garden I feel really good*

*I can rake up the leaves in the cool  
autumn breeze*

*And for winter I stack up the wood*

*Chores, give me some chores*

*Then please take me out to the store*

*‘Cuz I want a new bike and I think I  
just might*

*Have enough with a teeny bit more*

*I can clean up my room*

*I can use the vacuum*

*I can mop, I can take out the trash*

*Do the dishes and dust*

*I will do what I must*

*To help out to earn me some cash*

*Chores, give me some chores*

*Then please take me out to the store*

*'Cuz I want a new bike and I think I  
just might*

*Have enough with a teeny bit more*

*Now I'm just at the age*

*I can clean the rat's cage every Sunday  
before dinnertime*

*But I'm still too small to clean up  
hairballs*

*After all, the cat isn't mine*
