

“Superheroes” sung to the tune of “Yankee Doodle”

by Mr. DeCamilla's Class 2017

In my school there's superheroes
We have special powers
They help us get through the day
and while away the hours

**Superheroes keep it up
do your very best
share with us your special talents
and we will do the rest**

Just imagine Spiderman
he sticks to his assignments.
Always staying out of trouble
listening to his Spidey Sense

**Superheroes keep it up
do your very best
share with us your special talents
and we will do the rest**

I can be just like Green Lantern
with imagination
It helps me solve science problems
and multiplication

**Superheroes keep it up
do your very best
share with us your special talents
and we will do the rest**

I have got a friend like Batman
helpful and protective
Great with tools
a super thinker
and a great detective

“Superheroes” sung to the tune of “Yankee Doodle”

by Mr. DeCamilla’s Class 2017

**Superheroes keep it up
do your very best
share with us your special talents
and we will do the rest**

I can be like Wonder Woman
and I have the proof
Lasso up my school assignments
and I tell the truth

**Superheroes keep it up
do your very best
share with us your special talents
and we will do the rest**

Superman is such a hero
he is strong and kind
always fights for peace and justice
the best that you can find

**Superheroes keep it up
do your very best
share with us your special talents
and we will do the rest**
