

“The Topsham Fair”
sung to the tune of “This Land is Your Land”

By Mrs. LaPointe’s third graders 2017

This fair is your fair

This fair is my fair

There’s nothing better

Than when we go there

It’s fun for kids

And fun for grown-ups, too

Please take me to the Topsham Fair

From the top of the Ferris Wheel

I can see so far

I see the whole fair

Hey look! There’s Mom’s car

I saw beside me

Balloons go drifting by

Please take me to the Topsham Fair

As I went walking

I saw the arcade

With all those bright lights

And all the noise they made

I went inside

And won a big stuffed toy

Please take me to the Topsham Fair

I got a hotdog

And cotton candy

I dropped my fried dough

It got all sandy

I picked it up

And ate it anyway

Please take me to the Topsham Fair

I rode the Gravitron

And got all dizzy

Felt like a soda:

Shook up and fizzy

And when it stopped

I almost fell right down

Please take me to the Topsham Fair

I love the animals

I hear the donkey bray

The cows and horses

We did so much today

I hope tomorrow

We can come back again

Please take me to the Topsham Fair
