

Mrs. Libby's class

(to the tune of Yankee Doodle)

(chorus)

Empathy is being kind
In the time we're sharing
Think of other people's feelings
Empathy is caring

Sitting on the buddy bench
Looking down and groaning
Stop and talk and make a friend
And no one will be lonely

(chorus)

Someone's bullied in the lunchroom,
Makes them feel much smaller.
Stand up for them, sit beside them
Help them to feel taller.

(chorus)

If you're playing with your friends
And your siblings sadder
You could let them join right in and then they will be gladder!

(chorus)
