

# Bailey Island's Weekly Update

Check out your new ANB! This will help organize your workload for the week. If you have any questions, please send an email to the corresponding teacher you need information from at that time.

Check your Google Classrooms daily. See what's due for the week on this new ANB.

Finally, clean out your Gmail where all your emails are located. Pay attention to emails sent from teachers. Most likely your teacher is looking for a response from you.
