

Birch Island's Weekly Update

Check out your new ANB! This will help organize your workload for the week. If you have any questions, please send an email to the corresponding teacher you need information from at that time.

Check your Google Classrooms daily. See what's due for the week on this new ANB.

*Be sure to scroll down to the bottom of the page to see how Birch Island students are adjusting to remote learning! Keep those pictures coming! It's so great to see smiling faces and creative ways to spend time.

Finally, clean out your Gmail where all your emails are located. Pay attention to emails sent from teachers. Most likely your teacher is looking for a response from you.
