BJHS Counseling Department Parents, visit our [website](#) for daily posts, links to community resources/information, and activity ideas to keep your mind and body well while you're home. Students, we now have Google Classroom running- use the access code **jh2kxqo**. We have activities for you to check out in your free time. Please reach out to Mrs. Nein by [email](#) if you need support or would like to talk.

Other Hints

All students have email through BJH. All they need to do to access their email is to click on the waffle on the top right and choose Gmail. Students should check this email for communication from teachers a few times per week.

Also, the portal to schedule classes at BHS is still open. Students may still access this portal through their PowerSchool account. If you have further questions about scheduling, please feel free to contact the BHS guidance office at <http://www.brunswick.k12.me.us/bhs-counseling/contact-counselors/>.

We know there are still some questions about grades for quarter three. We do not have answers to these questions yet. We will let you know as soon as we know.

We appreciate your support and look forward to continuing success as we work together to educate our students!
