

Multi-Age

Recommended Links and Access to Trusted Websites

(There are so many good sites for education and many are free during this time. This is a list of our favorites. If you discover something your child really enjoys or you have trouble with a site please let one of us know.)

Literacy (Reading any physical books you may have at home is a great first choice but we recognize that you may need more books. These resources may help.)

Raz Kids (This site, which the school pays for, allows students to read to themselves and get support by having just a few or all of the words read aloud. The books are written for the site and are leveled for reading practice. There are also quizzes to check for comprehension and teachers can communicate with students about their reading through the site.)

Web browser: <https://www.kidsa-z.com/main/Login>

Phone or Tablet download the Raz Kids app

Search Teacher Name

- Funderburk1
- Lowe
- Stinson1 (then student initials in lower case)
- Erb

Storyline Online (Celebrities reading aloud favorite books)

[Storyline Online](#) - Celebrities reading aloud favorite books

Math

IXL Math (This is another site paid for by the district which we typically use for practice of math skills) -- **Strand Q focus this week (Money)!** During this extraordinary learn at home time the site has offered us language arts, science, and social studies as well. Let your child explore and see what they can learn or “assign” a skill to practice.)

Web browser: <https://www.ixl.com/signin/brunswick>

- user names: your child’s first name initial, last name, no spaces
(example: efunderburk)
- password: two letter initial (example: ef)
- Reach out to teacher if you have trouble logging in

Science/Social Studies

[Scholastic Daily Learn At Home Videos and Activities](#) (No login required.

This is also a good source for reading. It was created just for learning at home and has a picture book and nonfiction magazine on the same theme for each day followed by activities and additional links.)

[Raptor Resource Project - Bald Eagles and Birds of Prey Live Eagle Cam](#)

Classroom Community

Class Dojo (Funderburk)

Seesaw (Stinson)

Web browser <https://web.seesaw.me/>

- Log in
- I'm a student/family member
- Text code Stinson: TBD -- stay tuned!

Phone or Tablet download Seesaw app

- Look for this logo

- Log in using the above code for your teacher

Diversified Arts
