Dear Families and Caregivers,

In this packet you will find work for you to use with your kindergarten student this week. The work is intended to be used Monday-Friday 3/30-4/3. Every student in kindergarten is receiving this consistent base learning plan. Individual teachers may have already provided you with additional resources and may continue to do so over this week. Feel free to add these to your daily plan.

We, as a collective team, want to clearly iterate that this packet of work is meant as practice for your student, not necessarily new skills. We are working as a team to find ways to best deliver new instruction. Thank you so much for your flexibility and patience in this time of change and uncertainty.

Additionally, please put your family's mental health first. We recognize that many of you are experiencing huge changes in daily life. Please remember to enjoy your children, get outside with them and give yourself some flexibility in what gets accomplished during the day.

Lastly, please let your children know we miss them ALL dearly and hope to be back in our classrooms as SOON as it is safe. If you have any questions or concerns, please reach out directly to your child's classroom teacher.

Best Regards,
The Kindergarten Team
