\*Scroll down to see Make a Fort Day!

It's Make a Fort Day!  
Tyler and his sibling got creative!

Who wouldn't want to hang  
out inside this palace all  
day. Way to go Christian.

Lizzie created a cave-like feel to her fort.  
So cozy.

Phoebe made her fort dark and  
comfortable.

Ella's fort lasted for the duration of the  
meeting. She made it stick!

I'm not sure if anyone knew Jansen was MIA inside his fort. It ended up being a great hiding spot.

Today's a great day to create your own fort! What can you come up with on this rainy day?
