Mrs. D'Amour	

Math Team:

I have set up a Math Team Google Classroom for students who are interested in problem solving for extra entertainment. Your child does not need to have participated in Math Team before to join; it is open to all interested students. If they are interested, please have them join with this code: **5nybso6**

BJHS Counseling Department Parents, visit our [website](#) for daily posts, links to community resources/information, and activity ideas to keep your mind and body well while you're home. Students, we now have Google Classroom running- use the access code **jh2kxqo**. We have activities for you to check out in your free time. Please reach out to Mrs. Nein by [email](#) if you need support or would like to talk.

Other Hints

All students have email through BJH. All they need to do to access their email is to click on the waffle on the top right and choose GMail. Students should check this email for communication from teachers a few times per week.

We appreciate your support and look forward to continuing success as we work together to educate our students!
