

Welcome to Chebeague Island News
Week of 4/6/2020-4/10/2020
Brunswick Junior High School Website: <http://www.brunswick.k12.me.us/bjh/>

Date: 4/6/2020

Parents/guardians & Students:

We hope this new week finds you in good health & spirits. We are looking for your feedback on how remote learning is going for you as a parent/family, the link to the survey can be found [here](#).

Student email: Student emails have been turned on. *Students should get in a habit of checking their email everyday.*

It is important for students to understand that their laptops, email, Google Chrome, Google Classroom and other apps should be used for educational purposes. Please be mindful that nothing they do on a school laptop is private. Email goes through the Brunswick School Department server and all emails are archived for 5 years. Even though students may delete an email, it stays on the server and is accessible for 5 years.

Quarter 3 wrapped up on Friday April 3rd. Teachers will be posting comments for each student as well as Pass/Fail grade for all classes. Your student's advisor should continue to be your point of contact for general questions and please feel free to reach out to teachers directly for class specific questions and/or help.

Sincerely,

Team Chebeague

--	--	--	--------------------------	---	--

Band and Chorus

Band-Anderson	Continue your practice plan and check our Google Classroom and MusicFirst! Be sure to check out the "Practice Resources" folder I shared with you. (The links on the BANDO card have been fixed!)
Chorus-Tarleton	You have a new assignment posted in MusicFirst to complete and a new song is shared for you to learn.

BJHS Counseling Department

Mrs. Roy	Parents, visit our website for weekly posts, links to community resources/information, and activity ideas. Students, check out our Google Classroom-use the access code jh2kxqo . We have activities and resources for you to use when you need them. Please reach out to Mrs. Roy by email if you need support or would like to talk.
Mrs. D'Amour	

Math Team:

I have set up a Math Team Google Classroom for students who are interested in problem solving for extra entertainment. Your child does not need to have participated in Math Team before to join; it is open to all interested students. If they are interested, please have them join with this code: **5nybso6**

We appreciate your support and look forward to continuing success as we work together to educate our students!
