

Dear First Grade Families,

We hope that this new format of sharing home learning activities is helpful. Many of you have contacted us to let us know how it's working. Keep communicating. If there is something you need, let us know! We continue to find balance on our end and know that you are working to the best of your own abilities to create some sort of normalcy and routine for your kids on your end.

As you venture into week 4, we want you to continue to remember the following:

- Support your child in completing as much or as little as you see fit.
- We continue to work under the umbrella of PRACTICE and ENGAGE.
- Continue to mix and match activities on the calendar as you see fit.
- Our Grade 1 Distance Learning Website continues to grow. Let us know if there is something you wish to see more of or if something is missing that you'd like added. There are some new read alouds from us teachers on the site! We will get better at reading to a computer or iPad as if they are a bunch of kids gathered at our feet - bear with us! Here is the link to our site: [Grade 1 Home Extension Site](#)
- Above all, make this **fun**. This should not cause tears (for anyone)!

Please remember that you can email your child's teacher any time with questions, comments, challenges, and celebrations. We are here for you!!

Stay safe, healthy, and enjoy this unexpected time with your families!

- Your Grade 1 Teaching Team
