

# Location, Location, Location

Now is the time to put names to all those wonderful places you have created in your mind. On this sheet, write out the actual names you will use to name the features on your map. Remember to write the whole name you will use. Get creative. For example, Wild West Landi could have **Rodeo River** or **Maverick Mountains**. Good luck.

| Landform/Water  | Name |
|---|------|
| mountains   |      |
| forest  |      |
| desert  |      |
| river   |      |
| ocean   |      |
| lake  |      |
| harbor/bay  |      |
| Bonus* You may add three "extra" landforms i.e. oasis, isthmus, fjord. Have fun with this.  |      |
