

Use this chart to write pieces that convince others that you are right! (___ is the best or worst!) It might take several days to write one piece – just keep working on it!

I can write an organized opinion piece that clearly states my opinion and the reasons behind it.

I have all the parts...

Title

Introduction

(Get your reader ready and excited with your first sentence. "If you like mysteries you'll love ...")

My opinion

3-5 facts and reasons

Transition words

(because, such as, also, for example)

Conclusion

I found ways to make my writing stronger...

Details

Sparkly words

(Instead of "fun" use "interesting" or "exciting" or...)

Give examples

Talk to your reader

"You may think that chocolate is best but give pistachio ice cream a try!"

(Try adding quotation marks or speech bubbles.)
