Dear Families,

We hope you are doing well! We want to say how grateful we are for the support you're giving your children each day to keep them engaged and connected. Your support makes a tremendous difference!

The Multi-age team decided to transform ourselves into Flat Stanleys. If you're not sure who Flat Stanley is, please make sure to listen to Mrs. Stinson read it aloud on the [Multi-age Read Aloud site](https://www.youtube.com/watch?v=FzUKcbkbww0)- You can also find it at this link;

<https://www.youtube.com/watch?v=FzUKcbkbww0> Want the short version of the story? Flat Stanley is a boy who was flattened, and can now travel all over the world in envelopes because he is flat! He has lots of adventures because of his unusual shape.

We've included our own Flat Mrs. Erb, Mr. Funderburk, Ms. Lowe or Mrs. Stinson as a memento to help your child feel connected from afar. We can be a companion as he/she does schoolwork, plays outside, or goes on adventures. Your child is not obligated to share our adventures, but is welcome to post to Seesaw, Class Dojo or send an email if he/she has a picture of fun things we've done together! This is meant to be a fun activity to maintain our class community, so please participate as much as you would like or are able.

Again, thank you for your support and willingness to help your child stay connected. We look forward to the time when we can be together at school again. In the meantime, stay healthy and happy!

The Multi-age Team
