

❑ **Writing Response:** How do you think the roles of women and black americans have changed in times of war and peace?

- ❑ **Writing Response:** Compare and contrast the battles of Lexington & Concord. How were they similar and what important differences do they have?

❑ **Writing Response:** Which was the most important battle in the fight for independence and why? Was it the shot heard about the world at Lexington, was it Saratoga, where the French finally agreed to help, was it the final Battle at Yorktown, or is there a different moment that was most important?
