Greetings from GDI,

Reminder: May 26-29 is the final week of new learning and assessment of learning for quarter 4. Starting on June 1, students will participate in interventions and enrichments to support continued skill development. More information will be shared about plans for interventions and extensions prior to June 1.

It's not too late to order a yearbook. You can order yearbooks online by clicking on this [link](#).

GDI Homeroom Google Meetings - these are important check-ins for students with teachers.

Class Meets - we'd like students to attend these and connect with the teacher, peers and often we will do a lesson.

Sincerely,
