

Make a Number

Roll dice twice and make two different numbers (ex. 4, 6 can make 46 & 64)
Write the numbers as a "greater than" and a "less than" equation.

Example- $64 > 46$ and $46 < 64$

Repeat this activity four times and write you equations below.

Greater Than Equation >	Less Than Equations <

☀️Challenge: Roll dice THREE times and make three, 3 digit numbers. Put the numbers in order from least to greatest. (ex. 5, 7, 8 can make 578, 875, and 857.) From least to greatest- 578, 857, 875

Three Digits- _____, _____, _____

3 numbers I can make- _____, _____, _____

Order least to greatest- _____, _____, _____

Three Digits- _____, _____, _____

3 numbers I can make- _____, _____, _____

Order least to greatest- _____, _____, _____

Three Digits- _____, _____, _____

3 numbers I can make- _____, _____, _____

Order least to greatest- _____, _____, _____
