

June 1, 2020

Greetings Families!

Attached to this letter is a BINGO board full of enrichment opportunities for your student. Every child in Pre-K and Kindergarten has access to this packet. Activities are intended to be fun and engaging for your family while supporting some of the concepts that we've worked on this year.

The shift from the learning plans you've been receiving to this Enrichment form mimics the shift that happens in a traditional school year as our time together winds down. The BINGO board has enough activities to complete one each school day for the next two weeks, taking you to June 12th, which is the last student day of school!

We want to express a heartfelt thank you for sticking with us during the last three months. We acknowledge that you've done your very best during this challenging time and appreciate your engagement.

If you have any questions or concerns, please reach out directly to your child's classroom teacher. Stay safe, healthy and enjoy this summer!.

Regards,

Your Kindergarten Team
