

# Pre-K Home Learning Plan: *Week 8*

Dear Pre-K Families,

It feels absolutely bizarre to write “Week 8” at the top of this paper. Our new, and thankfully temporary, “normal” has seemed to go by incredibly fast and slow at the same time.

I hope you are well and I’m excited to explore our last unit together as the weather gets warmer! Details about Unit 6, titled “Things That Grow,” are in the May Newsletter.

Take care,  
*Ms.*

*Valente*
