

Dear First Grade Families,

Keep up the amazing effort and engagement! Attached you will find the learning plan for week 9.

****Our Grade 1 Distance Learning Website continues to grow.** As a reminder, you will find read alouds from all the grade 1 teachers and loads of supplemental activities and materials for at home learning opportunities. Let us know if there is something you wish to see more of or if something is missing that you'd like added. **Here is the link to our site:** [Grade 1 Home Extension Site](#)

As you venture into week 9, we want you to continue to remember the following:

- Support your child in completing as much or as little as you see fit.
- We continue to work under the umbrella of PRACTICE and ENGAGE.
- Continue to mix and match activities on the calendar to match your needs.
- Above all, make this **fun**. This should not cause tears (for anyone)!

As always, email your child's teacher any time with questions, comments, challenges, and celebrations. We are here for you!!

- Your Grade 1 Teaching Team
