# Number Line Fun!

Fill in the missing numbers.
Color the odd numbers one color and the even numbers a different color.
Use the number line to solve the number sentences.
(You may want to cut the number line out and tape it together for easier use.)

| 1 | | | | | | | | | | | | | | | | | | | |

| | | | | | | | | | | | | | | | | | | | 40 |

18 + 5 = ___   40 - 6 = ___   29 + ___ = 34

___ + 8 = 22   ___ - 4 = 31   24 - ___ = 19
