

Kindergarten Home Learning Music Packet

In this packet you will find music activities for your time at home. Activities can and should be repeated as we all get better the more we do something.

Feel free to record or take a picture of yourself singing and/or moving and send it to dmurphy@brunswick.k12.me.us 😊

In addition to these activities, you can visit www.brunswick.k12.me.us/dmurphy for more resources and activities for students.

I look forward to making music in the same room soon.

Have a safe and healthy time at home.

Sincerely,
Mrs. Murphy

Play a piece of music and march to the beat. Stop the music and freeze in one of these positions. Repeat until you have used each position.

Follow each line with your finger
as you use your voice to sing
the shape of the line.

LET'S PLAY MUSIC

State of Maine Song

Grand State of Maine, proudly we sing

To tell your glories to the land,

To shout your praises till the echoes ring.

Should fate unkind

Send us to roam,

The scent of the fragrant pines the tang of the salty sea will call us home.

Oh, Pine Tree State,

Your woods, fields, and hills,

Your lakes, streams and rock bound coast

Will ever fill our hearts with thrills,

And though we seek far and wide

Our search will be in vain,

To find a fairer spot on Earth than Maine! Maine! Maine!

Sing the State of Maine song to someone in your home. Color the picture how you see Maine and the coast.
