Last Week, This Week (and Next Week) We're Working on...

- **Reading: Building Good Reading Habits, Growing our Reading Skills**
 - Finished assessing students' start-of-year reading: groups and individual conference plan begins this week
 - Words are tricky...roll up our sleeves and try strategies
- **Social Studies/Study Groups**
 - Last week, we finished our first visit of the year into the other classrooms
 - This week, we'll read a book titled *Ox Cart Man* - about an early 19th century family in Portsmouth and how they use, trade and make tools, food, & clothing. This will lead nicely into our "Now & Then" field trip to Ft. Western.
 - In our room, we'll compare, contrast, & identify *Ox Cart Man* materials/tools/food from long ago and now

Woods Walk/Outdoor Explore

- We've been focusing on having "deer ears", "eagle eyes", & "stalking feet" outdoors while drawing like a scientist (realistic pictures) using our journals
- Expectations while outdoor is to stay with the group, leave nature in its place, respect nature, and remember that our purpose is different from recess. We will have specific goals and focus while outdoors.
- This week, we introduce the woods space to the side of the Jr. High and will practice sitting in the woods in the moment while journaling what we notice. We've really enjoyed these opportunities.

Word Work/Handwriting/Spelling:

- **Handwriting** – Reviewing our "frog Jump" capitals - capitals to go back to the top (for example: B, E, F, D)
 - Capitals usually at the top
- **1st Grade Math:** Chapter 2 - Number Bonds
- **2nd Grade Math:** Continuing Chapter 1 – Numbers to 1,000
