GENERAL INFORMATION

Please note that this is a closed building and is not open to the public. The bid opening will be held virtually. See call in number and PIN information posted below. Meeting information will also be posted to the Brunswick School Department's website.

Number: [+1 321-265-4715](tel:+13212654715)
PIN: 498837678

The following questions have been received from bidders via e-mail:

- Q.** Will there be any feeder cable required to be run to the new Classroom?
A. Yes. See response in Addendum #2.
- Q.** Unless I'm missing it...I don't see any info spelled out or requirements for fiber/copper that talk about how this classroom is to get network together with existing.
A. See response in Addendum #2.
- Q.** If a feeder cable will be required what is the distance from the panel in the Elementary School?
A. See response in Addendum #2.
- Q.** We are asked to extend the existing fire alarm system- Please provide the brand name of the system.
A. The fire alarm system manufacturer for the main building is Siemens.
- Q.** CI Drawings shows a Tel data link between buildings. Is there any info or specs as to what they need to link the 2 buildings together for voice/data requirements?
A. Provide fiber optic cable per final question in Addendum #2.

Kate Furbish Elementary – Discovery Classroom
Brunswick, ME
Addendum #3
04/21/2020

- Q.** Are there any wall racks needed in the new building? No specs are mentioned of what they want; worse case we could just price a wall mount panel on wall/backboard.
- A.** Yes – provide wall rack per final question in Addendum #2.
- Q.** Section 26 27 26 – calls for Stainless Steel Faceplates, is this what is needed for tel/data?
- A.** Yes. Base bid should be as specified.
