Thank you for coming this evening! Our students have been rehearsing since January to share our music with you. You can help support our performance by silencing your electronic devices. Please use the time between songs if you need to step out. Facilities are located in the gym lobby. You are welcome to record, but please do not post to social media for the protection of our students. Thank you for your time and support of our music program. It is appreciated!

***Note: We will not be rescheduling our All-Town Chorus Concert this year for many reasons. There are simply no dates that do not conflict with schedules at the 3 schools. Next year we will be sure to have a snow day plan!**

We will be offering an opportunity for our BJH students to sing in a combined concert at HBS on Tuesday, April 10 at 6:30. This is a voluntary event. Students from BJH and BHS will attend the HBS chorus concert and join the HBS students at the end of the concert in the prepared combined piece. Again, this is voluntary. I hope we will have a good showing from our BJH chorus students. Parents are also welcome.

Finally, students will be scheduling for electives during conferences. Please look for these sheets so they can be signed and returned. After they are returned, students will be scheduled for their elective choices next year. We do need the signed sheets and not an email or phone call please.
