Thank you for attending our concert. Good audience participation enriches the quality of any performance. We need your assistance in allowing us to present our best efforts. We offer these suggestions in order to promote an excellent concert environment:

- Please do not talk during the performance.
- Please silence cell phones and other electronic devices.
- If you need to leave the performance, please do so between musical selections or at the conclusion of an ensemble’s performance.
- Please be respectful of the audience members around you.

Our young performers are offering the best of their talents with the hope of pleasing their audience. Help us to achieve this goal by contributing to everyone's listening pleasure.
