Content Integration

Computer and email assignment

- Login to epic! Books and our Class Account. You and a trusted adult will need to follow the attached directions to confirm you have access using our account for unrestricted time limits for reading and research with online book sources via epic!.
- Look through the Maine Critter books and decide on an animal you would be interested in researching. Pick an animal you have not done before.
- Using epic! Books try to find at least 1 book for your Maine Animal. Then email me your Maine Animal choice and the title, author or publisher of the book you found on epic! If you are unable to find a source on epic!, then email this and just tell me your animal choice.

Messages:

- Go to Google Classroom Classwork - Topic: Community to find your 5th Grade Email Expectations assignment.

Morning Meeting invite with Cohort B on Thursday at 9:00. Use our Google Classroom Meet link.
