

Follow these steps to get started with **My Disney Experience**:

1. Go to [StartYourDisneyExperience.com](https://www.startyourdisneyexperience.com)

2. Link Room Reservations to the My Disney Experience Account

- Enter the Reservation Number (provided on the "Delegate Report") in the "Confirmation Number" field, and use the last name of the lead Guest on the room reservation (usually the first/primary name listed on the room reservation).
- Guests associated with your room will be listed. Names listed in the reservation can only be changed by contacting the group's Travel Planner.
- The names etched on the MagicBands can be changed during the "MagicBand Customization" step.
- When asked "Have you purchased tickets?" select **Skip to Planning** Page. You will be able to link tickets at a later time.

3. Customize MagicBands

- To receive the group's MagicBands before arrival, you may enter your home address or school address for delivery.
- Guest names can be changed for display on the MagicBand (9 characters or less).
- To receive MagicBands at resort check-in, wait to complete the above step 6-9 days prior to arrival.
- Customized MagicBands are not able to be processed within 5 days of arrival.

4. Reserve Access to FastPass+ Experiences

- It is recommended that you plan for 10 (or fewer) Guests at a time.
- *Please keep in mind the group's pre-scheduled events when making FastPass+ selections.*
- Not all options may fit with the group's schedule. However, FastPass+ times can be modified based on availability after confirming initial selections. After arriving, use FastPass+ kiosks in any of the 4 theme parks or via the My Disney Experience mobile app to modify experiences.

Tip: Planning for fewer Guests at a time may yield a wider range of experience options.
