Step 3: Students divide by colored “Confirmation Groups”

- Each student should look for chaperone with their matching color paper sign

Step 4: The chaperone will take their colored group to the ticket counter and check them in

Step 5: Once checked in, students will move from the ticket counter off to the side with their “confirmation group” to wait for entire group

- STUDENTS WILL NOT GO THROUGH SECURITY UNTIL ALL ARE CHECKED IN!

Step 6: Once all “confirmation groups” have checked in, students and their “confirmation group” Chaperone will proceed through security

- **A NOTE ABOUT TSA PRE-CHECK:** Even if you have been pre-approved for TSA Precheck, we will be checking in through security **AS A GROUP!** No one will be going through as TSA pre-check. This will avoid the potential of “misplaced students/ chaperones”.
