

Today is a review day for Chapters 7 and 8 to identify topics to study for the Chapter 7 and 8 Tests. **This review will use a computer cart in class and students will need to go and sign out head phones if they do not have them.**

Today's class will be broken into 3 parts. I have given recommended amounts of time to spend on each part.

- I. (15-20 minutes **silent study**) Complete Chapter 7 MOCK Multiple Choice Questions. If you finish then work on "Chapters 7 and 8 Mock Test." The **Teacher** will tell you when it is time to open your computers. Go to my website and check your answers. They are under Chapter 8. Discuss questions with classmates to understand your errors.
