

Ms. Groves Guidelines

Academic Algebra 1

2021-2022

(Revised AUG2021)

Dear student and guardian(s):

After reading the information contained in this handout, complete the section below.

Thank you, Paula Groves

I have read and reviewed the course goals and expectations. I understand the contents of this document and agree to abide by them. Then sign below to acknowledge that you understand the course goals and expectations. Thank you

Ms. Groves Academic Algebra Guidelines

SPECIAL NOTES ON COMMUNICATIONS

- ◆ **GRADES...** are available online and updated several times per week in “*PowerSchool*”
 - ◆ Contact guidance counselors for help with log in information.
-
- ◆ **EMAIL...** is the best method to contact me. Please feel free to contact me with any questions, concerns, or comments. My email is pgroves@brunswick.k12.me.us.
-
- ◆ **WEB SITE...** for more specific class information. This includes these guidelines, homework assignments, notes, tips, etc. Here is the link: <http://www.brunswick.k12.me.us/pgroves/>

1. Course Overview

Students will be assessed using both a traditional approach and a new standards based approach.

My goal for this class is to...

- i. Teach the algebra topics outlined in the “Course Syllabus,” evaluated using the traditional approach.
- ii. Assist students to successfully complete algebra-based graduations standards.
- iii. Help students develop math study skills that they can use throughout high school and college.

2. Materials Students Will Need For Every Class

- **Book**. It must be covered at all times. **Bring your covered book to every class!**
- **Math binder**. A 1½-inch three-ring binder with 5 dividers **only used for THIS class!**
- **Three-hole punch loose-leaf paper** (please do NOT use spiral paper).
- **Pencils**. Work completed in **pen will NOT be accepted**.
- **Calculator**. Students will not use calculators until the middle of Quarter 1. When your class starts using calculators, you can use your BJHS calculator or buy a TI-30X IIS (about \$13).
- **Laptops**. Bring your personal laptop or a school supplied chrome book to class to do online activities
 - **Per school policy, NO CELL PHONES will be used in class.** Students will be asked to put their cell phones in the hanging pocket holder with their designated number.

3. Extra Help... *Just ask!!!*

- I’m available during the following periods -1/2O, 3/4B, 5/6B, and flex-time.
- I am also available after school by appointment.

4. **Make-up policy**...*You are responsible for making up missed work. I will not chase you!*

- **Absences**: You have **2 class periods** to make up missed assignments, quizzes, and tests to receive full credit.
 - Email me to pick up work in the main office.
 - For special arrangements, see me the day you return to discuss extensions for work.
- **See Chapter Assignment Sheets** for missed work. Students will receive a handout with all assignments, tests, quizzes, and their due date for each chapter. It will be also posted on my website.

5. **Standards Grading**: CHECK **POWERSCHOOL** FOR YOUR CURRENT **STANDARDS PROGRESS**.

- This class will cover 3 graduation standards: Numbers and Quantity (NAQ), Algebra (ALG), and Functions (FUNC). Sample assessments are posted on my website:
 - <http://www.brunswick.k12.me.us/pgroves/algebra-graduation-requirements/>

• **IMPORTANT**: Students that do not meet the 3 standards will not received credit for this course.

- Each of these graduation standards are broken down into Performance Indicators (PI's).
- PI's will be assessed over the course of the year. Once a PI is assessed it will be given a standards score - Does Not Meet (DNM), Partially Meets (PM), Meets (M), or Exceeds (E).
- **Retake Procedure**: Students will be allowed to make up standard assessments. Students will be responsible for doing test corrections and then meeting with me to ensure they understand the standard **before taking a Make Up**. "**Make Up Standards Assessments**" will be given at a predetermined time during their FLEX-time for all students needing to make up a PI.

6. **Traditional Grading** CHECK **POWERSCHOOL** FOR YOUR CURRENT **TRADITIONAL GRADE**.

A. **Assessments** (90% OF GRADE) includes tests, quizzes, and standard assessments.

- NO MAKEUPS will be allowed for **Traditional Tests and Quizzes**.
- **Standard Assessments** will receive **BOTH** a Standard and Traditional Grade.
 - 1) The Standards numeric grade will be: DNM (30%), PM (60%), M (90%), E (100%).
 - 2) Students **must “Meet” each Standard** and will be given opportunities to make these up.
 - 3) The Traditional Grade will be revised when made up **prior** to the end of the quarter.

B. **Habits of Work** (10% OF GRADE) includes homework, classwork, and your notebook.

i. **Homework and Class work** is to practice the skills learned in class. **Expect about 1-hour of HW each class.**

□ **Late Homework** – ***Math is NOT a spectator sport !***

- Late HW – lose 10 points each school day late (including day due).
- Late HW is **NOT accepted after taking the Chapter Test**.

□ **Homework Grading Points**

√+	(100)	PERFECT - All problems attempted, work shown, follows HW format.
√	(90)	GOOD - Most problems attempted, work shown, follows HW format.
√-	(70)	FAIR - Incomplete work. Unreadable. Did not follow HS format.
R	(10)	REDO assignments for full credit and hand in next class. Students will need to REDO HW done in pen and sloppy HW.
NW/NC	(3)	No Work, No Credit . Answers only. Can NOT make up.
EA	(2)	Excused Absence . See Section 4 for how to make up work.
UA	(1)	Unexcused Absence . Work can not be made up.
M	(0)	Missing HW . You lose 10pts each school day late;

□ **How to Organize Your Homework**

◆ **How to set up HW page?** See “HW example” handout.

- ✓ Do HW in pencil.
- ✓ HW needs your full name, date, class period in the top right hand corner of page.
- ✓ At the beginning of each assigned section: write section, page, & problem #'s.
- ✓ HW must be well organized and easy to read.

◆ **How to show work?** “I am looking for Quality”

- ✓ Always write problem, show work, and circle the final answer!
- ✓ Clearly show all work necessary to show how you obtained your final answer.
Show enough work so you can easily explain your work to a classmate.

ii. **3-Ring Binders** A well-organized notebook will help you develop good study skills, provide sample problems to do HW and study for tests, midterm and final exams.

□ **How to Organize Your Notebook**

- Place this **Math Course Guideline** and **Syllabus** documents first in your binder.
- Label 5 Tabs: ► Notes ► HW/CW ► Tests/Quizzes ► Standards ► Study Tips
- Organize each tab by section number and/or date.

□ **Notes:**

- Put date & section # on all notes & handout.
- Complete all note taking handouts thoroughly and accurately.

□ **Grading:** Timed Notebook Tests will be given to measure how organized your binder is.

□ **When can you Clean Out your Notebook?** After each Chapter Test, you may remove class work, homework, and quizzes.

7. **Problem Resolution Process:**

As a high school student, YOU are responsible for your actions and performance. I expect students to follow school policies and classroom rules. Proper behavior and attitude is critical for learning in the classroom. The following actions will be taken if problems occur:

- ✓ **Strike 1.** Verbal Warning.
- ✓ **Strike 2.** See me directly after class to resolve issues.
- ✓ **Strike 3.** 1-hour detention for the next school day.

CLASSROOM RULE ARE SIMPLE:

Show Self Control, Be Respectful AND Be Responsible

1. **Show self control**

☆ **Raise your hand to speak. Please be patient! Wait to be called on!**

2. **Be Respectful**

☆ **Respect others**

- Be polite and cooperative.
- Remember to listen before you speak.

☆ **Respect Property**

- Keep classroom clean.
 - No food (including gum) or drinks in classroom!
 - Only water in a clear bottle allowed.
- Use only supplies and paper located on student supply table.
- Return what you borrow to the same location and in the same condition you received it in.
- Please do not write on desks (or rulers).

3. **Be Responsible**

☆ **Be Prepared for Class**

- Bring all required materials (book, binder, pencils, paper, calculator, laptop & HW), and have on desk **when bell rings** and be ready to start class.

☆ **Follow schedules**

- Be on time, in seat, and ready to start class when the bell rings.
- Turn assignments on time. Late HW is downgraded.

Thank you and let's have a great year! — Ms. Groves
