

Honors Algebra I - CHAPTERS 3 (2024)

Instructions on doing IP... "Think Quality!"

- Self-correct **ODD** problems in the back of the book. We will go over **EVEN**'s in class.
- **You can now use your CALCULATOR ☺, unless specifically stated**
- For each **new IP section**... 1) clearly write the section number and either box or circle it; 2) write the page number and IP problems; 3) skip lines between IP sections.
- For each **problem**... 1) write the given problem, 2) show work, and 3) circle final answer
- For **vocabulary problems**... **write the full sentence**.
- For **graph problems**... always use graph paper
- For **word problems**... write the key information, define all variables, write equations, solve, and give answer in a sentence.

For ALL Equations: Clearly show transformations and Check!
