

BOARD COMMUNICATIONS

I. GENERAL POLICY

It is the policy of the School Board to keep regularly informed of school activities and programs in order to evaluate the program of the schools in achieving the goals set forth.

II. REPORTS BY STAFF

The Superintendent shall be responsible for regular reports to be made to the Board relating to the ongoing school activities and programs. These reports will be presented by appropriate administrative and teaching staff.

III. OTHER REPORTS

The Superintendent shall arrange for such other reports to be made to the Board as the Board deems appropriate.
