

**ADMINISTRATIVE COUNCILS,
CABINETS, AND COMMITTEES**

The Chairman of the School Board shall appoint four representatives to Maine Technical Region No. 10 which representatives may be School Board members or other representatives of the school system. If four School Board members volunteer to serve, no non-Board representatives shall be appointed. In any case, no more than two representatives may be non-School Board members. The Board representatives shall be appointed by June 1 in order to allow for appointment of non-Board representatives by July 1.

The appointment of non-Board representatives to Maine Technical Region No. 10 shall be governed by the following procedures:

- A. Citizens of the Town of Brunswick shall be notified through the media, announcements at public meetings and craft committees of Maine Technical Region No. 10 that the Board is seeking people interested in serving on the cooperative Board. Such notification shall be made at least two weeks in advance of selection of non-Board representatives.
- B. The School Board Chairman shall establish a date prior to July 1 for a work session of the full Board to which all people who have indicated an interest in serving on the Cooperative Board shall be invited. The purpose of the work session shall be to discuss the responsibilities of Cooperative Board members with those citizens interested in serving.
- C. Following the work session, and prior to July 1, the Chairman shall appoint the non-School Board representatives to the Cooperative Board of the Maine Technical Region No. 10.
