Mr. Caron reviewed storage issues including renovation suggestions, and Board members discussed proposed solutions. Ms. Joyce moved to go ahead with the “cheaper solution” for the stage renovation and look for grants to help funding. There was no second.

Mr. Grant moved to authorize expenditures to reconfigure the high school stage as presented by Mr. Caron, and explore outside space options or rental property for off-site storage. Ms. Joyce seconded the motion. The vote was 5-1 (Connors opposed) and the motion passed.

66. Discussion: Options as Presented by PDT Architects for Coffin Elementary and Brunswick Junior High Schools – PDT/School Board

Board members and Mr. Keck discussed renovations of the existing buildings including costs that are becoming increasingly significant.
