

SECOND READ – RECOMMEND RESCIND – JUNE 2017

GRADING/ASSESSMENT SYSTEMS

The Brunswick School Board, in support of the State Board of Education policy relating to the evaluation of student performance, expresses its commitment to the goal of adopting a comprehensive plan of educational goals, objectives, performance standards, and an evaluation system that is responsive to the system's learning expectations. The Board further commits itself to provide the assistance necessary to achieve this goal within the resources available.

Adopted: 7/14/81
