

**REGION 10
TECHNICAL HIGH SCHOOL
FY2019 BUDGET
ASSUMPTIONS/ FEATURES/ KEY FIGURES**

Assumptions

- ❖ Teacher Salaries at +3% (RSU 5 negotiating)
- ❖ Support Staff Salaries at +3% (two sending schools negotiating)
- ❖ Health Insurance at +7% (waiting for Region 10 rate from Anthem)
- ❖ Dental Insurance at +5%

In Progress

- ❖ New Facilities Committee to look at immediate and future facility needs to be incorporated into a five year Facilities Plan to address aging building. This plan will, in turn, address large facility projects.
- ❖ Establish a Capital Improvement Reserve Account in Spring 2018 to address facilities needs. The amount of money to be put in this account will be determined by the Cooperative Board each year.

- ❖ Review of enrollment figures to determine if current programs should be discontinued and what new programs need to be added.
- ❖ Broader recruitment of students in all sending schools and out of district to increase enrollment.
- ❖ Ongoing review of program needs and rationale for program costs in budget development.
- ❖ Ongoing education of the new CTE funding formula and the impact for Region 10.

Decreases

- ❖ Tech Ten Basic program at \$62,981
- ❖ Reductions are found in custodial hours (-
.3 FTE)
- ❖ Reductions in many program areas which are
a result of changes in health insurance,
equipment, supplies, etc.

Increases

Facilities
Proficiency Graduation Requirement
Revenue

To address an aging
Facility

Operation of Plant - General

❖ \$168,394 to complete roof replacement project and consultation fees.

This increase completes the final phase of the roof replacement, in addition to a \$6,000 increase for consultation fees to be used as needed.

Operation of Plant - Maintenance

❖ \$62,000 to address air quality issues

This increase includes \$42,000 for the cleaning 9' and higher for the first floor shop areas, which have not been cleaned since the school was built.

An additional \$20,000 has been put in the budget to address the 'unknowns' from the recent air quality report, which identified significant air quality issues.

To support the
Proficiency Based Graduation
Requirement

Administration

❖ \$6,000 for a Curriculum Consultant

This position will continue the work that began in 17/18 to address/align proficiency based graduation requirements with sending schools to meet the Maine Learning Results.

New Program

❖ \$38,714 Math/Technology Integrator

New position to:

- 1) Help 'trades' people understand the math standards under proficiency based diploma requirements associated with math in their respective program;
- 2) Bridge technology education with proficiency education; and
- 3) Teach program instructors how to teach math skills in context with his/her program areas

Students who would like to attend Region 10 under the new proficiency graduation requirements will be unable to do so without first identifying where standards and specific learning indicators are being met at Region 10. Both positions above will begin this process, which is expected to help maintain and support increased enrollment at Region 10.

Forty-two percent of students come to Region 10 with an IEP or 504 plan, with no special education services provided at Region 10. Instructors are regularly challenged with identified and non-identified students who come to their programs with limited math competencies, requiring a 'trades' person to teach math without proper training.

Increased Revenue

- ❖ State Subsidy – increase of \$179,105
- ❖ Carry Forward – increase from current \$35,000 to \$72,000

**MAINE REGION TEN TECHNICAL HIGH SCHOOL
EXPENDITURES/ESTIMATED REVENUE/ASSESSMENTS**

(Based on the budget recommended by the Region Ten Finance Committee on 2/13/2018)

	FY 2018	FY 2019	Difference	% Increase
Expenditures:				
Gross Operating Budget	\$2,360,376	\$2,589,752	\$229,376	9.7%
Less Other Revenues	(\$2,074,842)	(\$2,290,947)	(\$216,105)	10.4%
Total Unit Assessments	\$285,534	\$298,805	\$13,271	4.6%
Estimated Other Revenues*:				
State Subsidy	\$2,017,303	\$2,196,408	\$179,105	8.9%
Fund Balance Carry Over	\$35,000	\$72,000	\$37,000	105.7%
Tuition	\$12,539	\$12,539	\$0	0.0%
Miscellaneous Revenue	\$10,000	\$10,000	\$0	0.0%
Subtotal - Other Revenue	\$2,074,842	\$2,290,947	\$216,105	10.4%
Additional Local Share: Assessment Breakdown*				
Brunswick(38.29%)	\$109,331	\$114,412	\$5,081	4.6%
RSU 5 (24.93%)	\$71,184	\$74,492	\$3,308	4.6%
M.S.A.D. No. 75 (36.78%)	\$105,019	\$109,900	\$4,881	4.6%
Total Unit Assessments	\$285,534	\$298,805	\$13,271	4.6%

***Note:** For purposes of comparason the FY 2018 budget breaks out the state subsidy that passed through individual district ED 279s and shows unit assessments net of that subsidy.
